## ※ 半田付け時の注意点

Latch Bar を使用する際は、絶縁テープに半田こてが当たらないようご注意下さい。

半田こての熱によって溶け、RECEPTACLE と嵌合した際にショートする恐れがあります。

## ※ Caution in soldering.

When using Latch-Bar, Please be careful the soldering iron dose not touch to the insulation-tape.

The heat of the soldering iron can melt them and there is possibility to cause short when mating with receptacle.
